

New Forest Art Trail 2009

Saturday 23rd May - Sunday 31st May

We have reviewed the way in which we sell space in the 2009 brochure to reflect a number of changes we felt should be implemented after our annual review.

Our designer felt that the participants information could be better presented in ¼ page blocks so we are selling those ¼ page blocks for £50.00.

Please study the diagram to understand what constitutes a block.

You may purchase multiple blocks as follows:

A + B or **A + B + C + D**. No other combination is available.

You may have 1 image per ¼ page block. This image should be chosen to best reflect the work to be shown at the venue. It should be high resolution (300dpi) and preferably sent on a CD. If this presents problems please talk to us by email or phone.

As a direct result of events that have transpired during the first two Trails we have taken the decision that **ALL** group members not living at the same postal address must now be individual **Members** of **NF Arts** and appear as a separate listing on the **Members** page of our website. ***It is essential that all taking part in the Trail can be contacted directly from our website as we could be in contravention of the Data Protection Act if contact details are requested regarding a member of a group taking part.***

Advertising: The committee will **not** carry out advertising, as in previous years, since we have concluded that members know their own area far better than we do. We suggest that groups of exhibitors in a specific area get together and 'pool' resources thus maximising benefits. We will however, produce a Press Release that will be sent to all venues - we will undertake to send this to Radio, TV and magazines covering the overall area of the New Forest and beyond. This decision allows us to keep the overall cost of taking part in the 2009 event to a minimum at this time.

Please take careful note of the dates for the Trail for 2009. We have 'moved' to incorporate the Spring Bank Holiday weekend. Although this would normally clash with Dorset Art Weeks we have decided to try it for 2009 when it is Dorset's 'off' year.

We sincerely hope that you will enjoy taking part in the Trail.
